

CHEMISTRY CAREER NEWSLETTER (08/02/17)

CAMPUS INTERVIEWS

Dow Chemical Information Session: Monday, August 14, 12-1:30 pm in 1610 Engineering Hall. RSVP in BuckyNet. Pizza served.

Dow Chemical Interviews: Tuesday, August 15, 8 am – 5:30 pm, Chemistry. Seeking postdocs and PhD students in Chemistry and Chemical Engineering, Mechanical Engineering, and MS&E Please submit your documents via BuckyNet by **Sunday, Aug 6 at midnight**.

Merck Information Session: Monday, August 28, 5:30-7:30pm in 9341 Chemistry. RSVP in BuckyNet. Pizza Served.

Merck Interviews: Tuesday, August 29, Chemistry. Seeking an Analytical Research and Development Senior Scientist. Submit documents to BuckyNet by **Thursday, August 10 at midnight**.

JOBS

Part-time Chemistry Instructor: Madison College: Madison College is looking to hire a few part-time instructors to teach general chemistry sections for this fall. If you are interested in a teaching career, this might be a good opportunity to get some experience. Contact Alexis Middleton (PhD 2011 Nathanson ammiddleton@madisoncollege.edu)

Xerox Corporation: Seeking PhD graduates in Physical Chemistry, Materials Science, or related field. See attachment for the job description. Contact Dr. Chieh-Min Cheng for more information (Chieh-Min.Cheng@xerox.com)

Postdoc position: H2020 Marie Curie Individual Fellow: Cherry Biotech, a French start-up aiming at developing next generation in vitro devices, is are looking for post doc candidates to collaborate and submit a **prestigious Marie Curie Individual Fellowship** application. This fellowship would lead to a 2 years post doctorate contract to develop cutting-edge technologies applied to healthcare/diagnosis. Read more about ongoing national/international programs in their Innovation Unit [here](#). Contact jobs@cherrybiotech.com if you are interested in joining the team.

Koch Biological Solutions (Hayward, CA): Research Associate position with a chemistry focus and we're looking for candidates with a bachelor's or master's degree in chemistry. The link for more information on the position, as well as the link to apply: <https://kochcareers.referrals.selectminds.com/jobs/research-associate-10397> Contact is Navid Adnani (PhD 2016 UW Pharm Sci), Scientist - Analytical Chemistry, (510) 259-6132, NAVID.ADNANI@MENDEL.COM

VOLUNTEER/OUTREACH

Chembites Author: Chembites is a website with blog posts on the latest research papers in chemistry. It is part of a larger group of bites sites, e.g. for astronomy (<https://astrobites.org/>). If you are passionate about chemistry and enjoy writing, apply by introducing yourself to Chembites and submit a sample post. Further details can be found here: <https://chembites.org/2017/06/14/be-a->

chembiter/. **Applications due August 11, 2017.** If you have further questions, please feel free to contact chembites@gmail.com
