DEPARTMENTAL INFORMATION

Update People Page: As the fall semester begins this is a good time to update your personal chemistry webpage on the [list of people](#). Some of you have gotten professional headshot photos with Libby Dowdall. Please use these photos to update your personal chemistry webpage. The chemistry webpage is an easy way for faculty, students, and recruiters, etc. to find some information about you. To edit your personal webpage, scroll down to the bottom of the chemistry home page and click on login. Use your NetID and chemistry password to access the edit function.

Chemistry Newsletter: Academic Job Postings: All academic job postings are available on the chemistry website under the *Connect* tab (<http://chem.wisc.edu/newsletter>)

JOBS

Pfizer La Jolla: Pfizer is seeking 2 PhD/ post doc level synthetic organic chemists. If you are interested, send a CV and research summary to Douglas.Behenna@pfizer.com.

BASF Chemical Leadership Development Program (LDP): This is a 24-month cross-functional program with 3 eight-month assignments which provide exposure to various technologies and career opportunities throughout BASF. BASF's Leadership Development Programs (LDPs) provide highly motivated, mobile-minded current university students an opportunity to enhance their professional skills through a variety of diverse learning experiences. See <https://basf.taleo.net/careersection/2/jobdetail.ftl?job=1702692> for more information.

SEMINARS/WORKSHOPS

MACTLAC Meeting: Oct 13-14, 2017, Monmouth College, Monmouth IL. **MACTLAC** brings together teachers of chemistry in the liberal arts colleges of the North Central region of the United States

(Midwest) for exchange of ideas and for general mutual helpfulness in their profession. More information available at <http://campus.albion.edu/mactlac/>

SOCIAL

Degree Dash Team: Fri, Sep 1, 2017. Walkers and runners alike are invited to join fellow graduate students, faculty and staff for the second annual Degree Dash Run/Walk hosted by the Graduate School. Sarah Guillot, from the Chemistry Department is a team captain of the team "Chem Grads". Register [here](#). Email Sarah (guillot@wisc.edu) by Sunday Aug 27th if you sign up with the team. If anyone has already registered and would like to join "Chem Grads" retroactively, email gsacserv@grad.wisc.edu to request addition to the team.

VOLUNTEER/OUTREACH

Panel Speaker: New Graduate Student Welcome: Wednesday, Aug 30, 2017 (<https://grad.wisc.edu/newstudents/ngsw/>). The panel will help to welcome new graduate students and speak about issues such as managing graduate student life and maintaining relationships with faculty and staff. Please let Arrietta know as soon as possible if you are interested by Friday, Aug 18.

Chemistry Tutor for Fall 2017: If you would like to be a tutor this semester, **please send an email to jilbaran@wisc.edu** with your name as you would like it to appear on the list, email address, course(s) for which you would like to tutor (103, 104, 109, 115, 311, 327, 343, 345, etc.), rate per hour (\$10 /hour is typical for an undergraduate tutor; more experienced tutors might charge more), your campus ID. If you were on the Spring 2017 Tutor list, you can respond saying that you have no changes. The Spring 2017 Tutor List is attached. Please respond no later than the end of the day on **Wednesday, August 23rd, 2017.**
